MEDIA RELEASE

MONDAY 5TH SEPTEMBER 2016

CAPTA GROUP OFFERS FREE ENTRY FOR ACCESSIBILITY WEEKEND

The CaPTA Group has announced its support of Queensland's Accessibility Weekend, offering free entry to the four wildlife parks within the group on 10-11 September, for people with a disability who use a wheelchair.

The free entry promotion is also offered to the carers and supporters of those in a wheelchair, to highlight the importance of accessibility and inclusion within the community.

Each of the wildlife parks within the CaPTA Group are wheelchair-accessible, with gradual inclines, boardwalks, lifts and special viewing areas at wildlife enclosures.

CaPTA Group Director of Sales & Marketing Ben Woodward said the group has ensured the parks are accessible to everyone, including those with a disability and those in a wheelchair.

"It's very important that the community is aware of the challenges faced by those with a disability, and we have always done what we can to ensure our parks are wheelchair-friendly and accessible," he said.

"We look forward to welcoming visitors to our parks with free entry so they can enjoy the different experiences we have to offer."

Accessibility Weekend is part of Spinal Cord Injury Awareness Week, which runs from 5-11 September, and is run by Spinal Life in partnership with Independence Australia.

This year marks the first time the event has been run in Queensland, having originally been started in Victoria over 10 years ago.

For more information on the weekend, or to register for entry tickets, visitors should visit the Spinal Life Australia website at www.spinal.com.au

The CaPTA Group is locally owned and operated by the Woodward family of Cairns, consisting of Rainforestation Nature Park, Tropic Wings Cairns Tours & Charters, Jungle Tours & Trekking, Wildlife Habitat, Cairns ZOOM & Wildlife Dome, Australian Butterfly Sanctuary, ABC Sales & Maintenance and Careers Training Centre.
