### WILDLIFE HABITAT IS A WINNER WITH TRIVIA NIGHT

Australia's leading wildlife experience, Wildlife Habitat in Port Douglas, has held another successful trivia night in conjunction with K-Star Trivia, raising over \$4000 for their Wildlife Care Centre.

The Wildlife Care Centre is a community service, providing assistance to sick, injured and orphaned wildlife.

Over 70 people attended the trivia night, held at Central Hotel Port Douglas, including local, national and international guests.

The major auction item was a 4 night stay at Cassowary House, valued at \$3600 and purchased for \$1000.

Prize sponsors were very generous, with thousands of dollars in prizes up for grabs including reef day tours, supermarket vouchers, accommodation vouchers, golf, and dining vouchers for restaurants.

Over \$3000 was raised on the night, with a further \$1000 being donated through the Central Hotel and On the Inlet charity donations.

Wildlife Habitat General Manager Clare Anderson said the total amount raised was overwhelming, and very gratefully received.

"We are currently prioritising how and where these funds will be used within the Care Centre," she said.

"We are very excited as this will allow us to purchase some new equipment for the centre, as well as continue to rehabilitate and help sick, injured and orphaned wildlife."

Additional donations can be made to the Wildlife Care Centre by contacting Wildlife Habitat Port Douglas on 4099 3235.
