WILLIAM ENOCH-TRANBY ELECTED TO JOIN YOUNG TOURISM LEADERS PROGRAM

The CaPTA Group is proud to announce William Enoch-Tranby has been selected to join the Young Tourism Leaders Program for the next 12 months.

The program is a Queensland Government initiative designed to showcase tourism as a career to young people interested in the industry.

As a Young Tourism Leader, William will present at speaking opportunities at seminars and high schools, provide regular updates and vlogs online, and promote various employment options and apprenticeships.

William will also work with tourism businesses to promote the benefits of employing recent school graduates in their businesses.

William is the first Indigenous person to take part in this program and will travel to Brisbane to be officially inducted on the 5th of October.

CaPTA Group's Staff Development Manager Penny Cleland said that William's selection is an example of what you can achieve when you are passionate about your career.

"It is important that Indigenous people have representation and role models in the industry; William represents his culture and the Tourism industry to the highest standards."

"His passion, work ethic and commitment to the industry make him a natural leader and role model for anyone interested in a future career pathway or who is just getting started in the industry. "

The CaPTA Group is locally owned and operated by the Woodward family of Cairns, consisting of Rainforestation Nature Park, Tropic Wings Coach Tours, Jungle Tours & Trekking, The Wildlife Habitat, Cairns ZOOM and Wildlife Dome, Australian Butterfly Sanctuary, ABC Sales & Maintenance and Careers Training Centre.
