MEDIA RELEASE

WEDNESDAY 3rd April 2019

MEDIA OPPORTUNITY 10am at Cairns ZOOM.
Photos or interviews available.

AUSSIE ANIMALS FROM ZOOM MAKE SOME NEW FRIENDS

A group of migrant students will pay a visit to Cairns ZOOM and Wildlife Dome to learn about Australian Animals.

The students are all recently arrived migrants, mostly on humanitarian visas. Their countries of origin include Congo, Myanmar, Nepal, China, PNG and Argentina.

TAFE Queensland teacher, Helen Rowe has organised the excursion where the students will get a behind the scenes look at the animals that live at Cairns ZOOM.

“They are all very interested in Australian animals, they can’t wait to see them and learn more about them, I think they will find it fascinating.” She said.

Cairns ZOOM and Wildlife Dome Manager, Sam Gould, is only too happy to help when it comes to teaching people about our native wildlife.

“The more people in our community that understand how important our wildlife is to the ecosystem the better. Most of the animals we will show the students they will have never seen before so it will be great to see their reactions.”

Cairns ZOOM & Wildlife Dome is an exhilarating Challenge Ropes Course consisting of ziplines, crossings and walkways in a wildlife park, allowing visitors to appreciate and be educated about our native fauna.
