

## Join Australian Butterfly Sanctuary as a Laboratory Assistant – Unveil the Secrets of Nature's Laboratory

Are you a detail-oriented individual with a passion for nature and a keen interest in laboratory operations? The Australian Butterfly Sanctuary, an integral part of the CaPTA Group, is seeking a dedicated Laboratory Assistant to join our dynamic team. If you are enthusiastic about showcasing the wonders of our World-Famous Australian Butterfly Sanctuary and have a knack for precision in laboratory tasks, we invite you to be a vital part of our mission.

### About Us:

The Australian Butterfly Sanctuary is more than just a tourist destination; it's a hub of scientific exploration, and our team is a close-knit family committed to delivering extraordinary guest experiences. As leaders in ecological conservation and sustainability, we are determined to unravel the mysteries of butterfly life. Join us and play a crucial role in unravelling the enchantment of our sanctuary's laboratory.

### Role Highlights:

As a Laboratory Assistant, you will contribute to the day-to-day operations of our laboratory while also showcasing the wonders of the Australian Butterfly Sanctuary to our visitors. This position requires flexibility, including working on a 7-day roster, school holidays, and public holidays.

### Key Responsibilities:

#### - **Contribute to Daily Laboratory Operations:**

- Assist in the seamless day-to-day running of laboratory operations, ensuring precision and attention to detail.

#### - **Engage and Educate Visitors:**

- Share insights into laboratory processes and the captivating world of butterflies with our visitors.

#### - **Collaborate for a Positive Guest Experience:**

- Work closely with the team to maintain a positive and informative experience for our valued guests.

### The Ideal Explorer:

To thrive in this role, we recommend the following qualities and qualifications:

- Previous experience or education in laboratory operations is preferred.
- Exceptional attention to detail and observational skills.
- Enthusiasm for learning and a genuine interest in nature and conservation.
- A positive attitude, a good sense of humour, and a "can-do" mindset.
- Manual driver's license is essential.
- Availability over a 7-day roster, including weekends, school holidays, and public holidays.
- **Permanent resident of the Kuranda/Cairns area is required.**

**What We Offer:**

At Australian Butterfly Sanctuary, you will enjoy ongoing training, a supportive team environment, and the opportunity to contribute to our commitment to conservation, education, and community engagement. We embrace diversity and inclusion as advocates of Equal Employment Opportunity.

**How to Apply:**

If you're excited about exploring the intricacies of nature's laboratory and being a part of a meaningful cause, seize this opportunity. To apply for this unique position, please send your resume and a cover letter to our People and Culture team at [hr@capta.com.au](mailto:hr@capta.com.au).
